

Exciting Announcement

The Tinnitus Research Initiative (TRI) Annual Conference is taking place in Vancouver, Canada this year.

This conference, being held for the first time in Canada, provides an exciting opportunity to hear from the most recognized and respected tinnitus researchers and scientists in the world. TRI-2024 "The Science of Tinnitus" focuses on current and contemporary research findings, trends and information in the fields of tinnitus and hyperacusis.

As part of this conference, TRI will be hosting a public event:
